Homestead Protection Property and Leaseback. All Homestead Protection property and leaseback property will be leased with an option to purchase in the following format.

- g. OPTION TO PURCHASE - Provided lessee is not then in default under the term of the Lease and provided that this lease has not been previously terminated or cancelled, then lessor gives to lessee the option to purchase the real property described in this lease.

(1) The lessee may exercise the option to purchase at any time prior to the expiration of the Lease by delivering to the Agency County Supervisor a signed, written statement notifying the Agency that the Lessee is exercising the option to purchase the property. Failure to exercise the option within the lease term will end Lessee's rights under the option to purchase.

The appraisal shall be made by an independent real estate appraiser selected by the Lessee from a list of at least three appraisers approved by the County Supervisor.

[Leaseback Property Only] The purchase price will be the appraised market value of the leased property at the time the option is exercised. The purchase price will be established as of the date the option is exercised as determined by the County Supervisor pursuant to Subpart E of Part 1922 of Title 7 of the Code of Federal Regulation (RD Instructions 1922-E) and supported by a current appraisal on Form RD 1922-1, "Appraisal Report-Farm Tract." If the lessee disagrees with the proposed purchase price the lessee can appeal such determination under subpart B of Part 1900 of Title 7 of the Code of Federal Register.

(3) Unless the lessee otherwise informs the County Supervisor in the written notice exercising the option to purchase, the leased property will be sold for all cash and the sale will close within 30 days of the date of exercise of the option. If the lessee has notified the Agency in the notice exercising the option that the lessee wants to purchase the leased property on a credit sale, the lessee must furnish the Agency with financial information sufficient for the Agency to make a determination that Lessee is creditworthy. [For Homestead Protection Property only add: If a credit sale is approved the purchase price will be paid in equal monthly installments with principal and interest amortized over 35 years at the then current Agency interest rate for Homestead Protection property.]

- h. LESSOR'S RIGHT TO TERMINATE FOR LESSEE'S DEFAULT ONLY - The Lessee shall have the right to occupy and/or operate the real property described in the lease, for the full term of the lease, provided the lessee does not violate the general conditions. Willful violation of any general conditions shall enable the Lessor to lease upon 30 days written notice to the Lessee at Lessee's address set forth.

- i. HIGHLY ERODIBLE LAND OR WETLAND - The lessee shall not use the property for any purpose that will contribute to excessive erosion of any highly erodible land identified in the attached Form SCS-CPA-26. "Highly Erodible Land and Wetland Conservation Determination," or to the conversion of any wetlands identified in the attached Form SCS-CPA-26 to produce an agricultural commodity, as further explained in Exhibit M to Subpart G of Part 1940 of this chapter. The Lessee further agrees not to produce an agricultural commodity on any converted wetlands identified in the attached Form SCS-CPA-26.

- j. [Add the following special stipulation for lease of leaseback/buyback property.]

"The lessee acknowledges that the real property identified as wetland on the topographical map attached to this lease will not be used for agricultural production or pasture/forage purpose except in accordance with the attached wetland conservation plan. The lessee further acknowledge that in the event Agency regulations are amended to permit a less restrictive use of the wetland area, that the terms of the lease may be amended to permit a greater use of the wetland area and the lease payment adjusted accordingly. Likewise, in the event the lessee exercises the option to purchase the property, and Agency regulations permit at that time a less restrictive use of the wetland area, the lessee may purchase the property with the less restrictive easement provisions."

- k. Add the following stipulation in place of paragraph 18 of Form RD 1955-20 for lease of Homestead Protection property only:

"ASSIGNMENT AND SUBLETTING. The leased premises may not be sublet, in whole or in part, not the lease assigned, voluntarily or otherwise, except that in the case of the death or incompetency of the lessee the lease may be assigned to and assumed by the spouse of the lessee."

- (1) Add the following stipulation in place of paragraph 18 of Form RD 1955-20 for Leaseback Property only:

"ASSIGNMENT AND SUBLETTING. The leased premises may not be sublet in whole or in part nor the lease assigned without the prior written consent of the Lessor."
